

AICHI UNIVERSITY OF EDUCATION

International House

Objective

The International House has been designed to provide accommodation for international students and researchers and a place for events pertaining to international fellowship, and to promote international exchanges and understanding.

Address

1 Hirosawa, Igaya-cho, Kariya-shi, Aichi 448-8542, Japan

Section responsible for International House

Center for International Exchange is responsible for the administration of the International House.

Office hours are as follows: Monday to Friday: 9:00 to 12:00, 13:00 to 16:00

The office is closed on Saturdays, Sundays, University's holidays and National Holidays including the New Year Holidays (December 29 to January 3).

Phone: 0566-26-2178

Mail: kokusaikoryu@m.auecc.aichi-edu.a.c.jp

Residence in the International House is limited to the following persons:

- 1) International students studying at the University and their spouses and children.
- 2) International researchers engaged in research at the University and their spouses and children.
(However, those who are employed under contract in accordance with University Corporation Aichi University of Education Rule of Employment Article 5, Paragraph 3 are excluded.)
- 3) Other persons approved by the President

The period of residence

The normal period of residence is within one year. However, research students are allowed only 6 months, regardless of period of stay.

If there are vacancies after expiration of a period of residence at International House, you are able to apply for International House again. The period of stay is not exceeding 1 year.

In this case, residents need to submit "Application for Extension of Residence in the International House to the Center for International Exchange at least 1 month before expiration of limitation period. A person granted permission of residence will be issued "Permit for Residence Extension at the International House"
